WORK EXPERIENCE

React Developer Intern Venturenox

03/2023 - 06/2023

Lahore ,onSite

Achievements/Tasks

- Implementing new features and improving existing ones using React.
- Ensuring the application is responsive across different devices and browsers.
- Collaborating with team members to create a seamless user experience.
- Managing state using Redux or Context API.
- Identifying and fixing bugs using tools like Chrome DevTools.
- Making API calls for data fetching and submission.
- Staying updated with the latest React features and best practices.

PERSONAL PROJECTS

Doctor's Planet

- Successfully developed an intuitive React frontend for Doctor Planet, enhancing user experience for patients, doctors, and staff.
- Integrated critical features with rigorous testing and ensured data security and compliance with healthcare regulations.

Mega Mart

- Designed an intuitive frontend interface using React, optimizing navigation for users.
- Collaborated with backend specialists to integrate essential features, resulting in a 20% reduction in cart abandonment rates.

Crypto App

- Crafted a feature-rich Crypto Tracker app with real-time prices and comprehensive currency details.
- Implemented real-time pricing functionality and integrated Material UI for polished interface components, attracting over 500 users in the first month.
